WYOMING | JACKSON HOLE

Join us for an Orvis Fly-Fishing School at the Snake River Sporting Club in beautiful Jackson Hole, Wyoming this summer. The area offers great fishing opportunities, including six miles of private access to the Snake River. We've teamed with the Jackson Hole Fly-Fishing School to offer an experience like none other. The school covers everything from fly casting, choosing the right tackle, leaders, and knots, to fly selection and how to safely release fish. After the school, students can arrange a guided fly-fishing trip through WorldCast Anglers.
